

Local Volunteer and Donations Management G288

Course Description:

This course addresses the planning considerations and operational requirements for an effective donations management system at the local level. A special emphasis is put on the importance of collaborative partnerships between local government, voluntary agencies, and community organizations as the key to success in volunteer and donations management.

Target Audience:

Local government officials and State and/or local leaders of key voluntary organizations, (i.e., those affiliated with the State VOAD), who have responsibility for planning, coordinating, implementing, and/or operating the donations management function at the State and the local level.

Prerequisite:

Students are encouraged to take IS-288. The Role of Voluntary Agencies in Emergency Management
