

Mass Fatalities G386

SCEMD TRAINING GRAM

Course Description:

This course prepares state and local response personnel and other responsible agencies and professionals to handle mass fatalities effectively and to work with the survivors in an emergency or disaster. It covers incident management, mass fatalities planning before and operations during an incident, establishing the morgue, family assistance support operations, and assistance from the Federal government..

Target Audience:

This course is designed for a wide audience, encompassing the range of personnel with a role to play in mass fatality incidents. Coroners, medical examiners, funeral directors, heads of first response agencies (fire, police, EMS, etc.), planners, and emergency management coordinators will benefit from this course.
