## Homeland Security Exercise and Evaluation Program (L0146) Training Gram

### **Course Description:**

This is an intermediate-level course that provides a comprehensive overview of exercise design along with practical skill development in accordance with the Homeland Security Exercise and Evaluation Program (HSEEP) Doctrine. This course uses activities that will give participants an opportunity to interact with many of the templates and other materials that are provided by the National Exercise Division to ensure exercises are conducted in a consistent manner.

### **Target Audience:**

The program audience includes personnel from emergency management, emergency medical services, fire, law enforcement, government administrative, hazardous materials, healthcare, public health, public safety communications, public works, or any emergency management or response personnel who may have the opportunity to serve as part of an Exercise Development Team or a subsection of the same (i.e., evaluator, After Action Report Writing Team, etc.)

### **Prerequisite:**

IS-0120 or IS-0120.a, An Introduction to Exercises
