Community Mass Care and Emergency Assistance (G108)

Course Description:

The purpose of this course is to develop foundational knowledge of Mass Care and Emergency Assistance services in the community. It is not a “how to” for sheltering. Participants will use this information to build community emergency Action Items and to identify gaps in the community’s program.

Target Audience:

This course is intended for community agencies, Non-Governmental Organizations (NGO), and private sector organizations that will collaborate to provide the Mass Care and Emergency Assistance. There is no fee to attend this workshop.

Travel reimbursement for lodging and meals is available this course.
