

The State of South Carolina is requesting donations of cleaning and sanitizing products for licensed childcare facilities to assist those facilities in ensuring the safety of their staff and clients, as businesses open back up and families return to work from the COVID-19 pandemic. Specific needs include the items below:

- Antibacterial soap for hand washing
- Refill for antibacterial soap
- Refill bottles for sanitizers
- Paper towels
- Toilet paper
- Facial tissues
- Disinfectant wipes
- Disinfectant spray
- Cloths (rags) for spray
- Hand sanitizer
- PPE (gloves, masks, aprons)
- Bleach
- Thermometers/covers – Digital

The best way for individuals and small groups to donate is to give locally to licensed or registered child care facilities. For facilities in your area who have identified a need for supplies, please contact the Regional Office listed below.
